Looking ahead, we're hitting the road for some exciting **fall outreach events** this season.

We're thrilled to announce that sponsorship opportunities are now open for our **2026 Share the Experience Dinner & Auction**. This event plays a huge role in supporting our programs, and we'd love for you to be a part of it.

Get Involved: Sponsorship

Every summer, our camps become a place of joy, growth, and belonging for children living with diabetes. But behind the laughter around the campfire and the friendships formed through camp activities is a powerful truth: **our summer camps simply wouldn't happen without the support of our community—and especially, our annual auction fundraiser!**

The funds raised through this event directly support everything from staffing and supplies to meals and transportation. Most importantly, they ensure that no child is ever turned away due to a family's inability to pay. That's a promise we've kept year after year—and one we're only able to keep because of people like you.

There are so many ways to get involved in this special event, but this month, we're putting a spotlight on sponsorship opportunities. **Do you know a business that would love to give back or benefit from positive exposure in the community?** We'd love to partner with them for this meaningful event! Sponsorships come with great visibility and benefits—and most importantly, help us create life-changing summer experiences for kids who need them most.

If you are curious what our sponsorship opportunities look like, or if you know a business who is looking for a way to support our community – email us at stix@stixdiabetes.org, or visit our auction website (link below) for all the details and to purchase a sponsorship.
